INTERNATIONAL STUDENTS' POSTER COMPETITION 2023

All entries must illustrate and reflect the thematic issue :

“Precision Medicine”

Two poster entries:

- **Research posters:** open to all medical, pharmacy or pharmacology **pre- and post-graduate students.**
- **General posters:** open to all medical, pharmacy or pharmacology **pregraduate students.**

Some examples for general posters: key messages on drug individualization, sources of variability in drug responses, role of genes, environment and lifestyle, omics, biomarkers, vignettes (drawings and/or brief medical stories) with examples, or emblematic drawing. Be creative!

Posters can be created through any medium (digital, illustrated, hand drawn/painted) but must be submitted digitally.

- **Deadline for submission to your national society: 3rd April**
- **National winners selection (2 best posters) : 14th April**
- **Oral presentation of the 2 best posters in each category during a Zoom international webinar on the 4th May**
- **4 IUPHAR 300 € awards**
